M'KENZIE TROPHY RELAY RACE.

SOUTHERN HARRIERS' WIN KEEN CONTEST.

The fifth annual race for the George M'Kenzie Relay Trophy was decided on Saturday from Northfield Grounds, Portobello. Fifteen teams had entered, and the course extended over a two and half miles circle from the starting point, being covered once by each of the four members of the team. Thanks to the substantial lead given them by A. A. Bowman, Edinburgh Southern Harriers were always in a winning position. The lead was further increased by R. Patterson, with the result that W. D. Patterson commenced the last lap 300 yards ahead of W. G. S. Moor, Edinburgh Harriers.

The latter put up a great race, and during the last half-mile actually headed Patterson, but he failed to respond to the Southern representative's spirited finish, and finished 30 yards behind. Result:—1, Edinburgh Southern Harriers (A. A. Bowman, R. Patterson, George Malcolm, W. L. Patterson); 2, Edinburgh Harriers (J. Gardner, J. R. P. Smith, J. H. Motion, W. G. S. Moor); 3, Edinburgh Northern Harriers (T. Glancy, H. W. M'Donald, R. Sinclair, W. Morris.)

The aggregate time for the winners was 50 mins. 50 3-5 secs. For the two and a half miles, W. G. S. Moor was fastest with 13 mins. 35 secs.
