

Cross Country Race.—The Edinburgh Northern Harriers had little difficulty at Corstorphine on Saturday in winning the 10 miles Eastern District Relay Championship from Edinburgh Southern, who were runners-up. M. Stewart, Northern, a Corstorphine lad, did the fastest time in the first relay, and was only beaten for the fastest lap by 5½ seconds by Wood of Heriots. The donor of the Trophy, Mr George McKenna, is also a local resident.

In the annual Eastern District relay race for possession of the Mackenzie Trophy the "A" team of the Edinburgh Northern Harriers won their anticipated victory in remarkably fast time. They had a lead over the first of the 2½-mile legs and never at any part of the race were their representatives deprived of the lead. The course, on the usual lines, started from Saughton Road, Corstorphine, Edinburgh, and included some very heavy country as well as several road stretches.

The times of some of the individual runners were very good, and apart from the team work of the winners, J. F. Wood, Heriot C.C.C., and J. M. Petrie, Dundee Thistle, were worthy of special recognition for their great efforts. Wood returned the fastest time of 14min. 44sec., and only he and M. Stewart, the first Northern Harrier, bettered Petrie's time over a lap which took the holders into third place. The results were:—
