

DISTRICT CROSS COUNTRY RELAYS

October 15th Eastern, at Falkirk

Running over their home course at Callender Park, Falkirk Victoria won the Senior title for the third successive year. After consistent running by their first three runners, Peter Faulds started off with almost half a minute lead, but ended up being chased home by former Scottish marathon champion, Graham Laing, and fast-developing Peter Fox of Dundee University, who recorded 11:17 for the fastest lap of the day.

Teviotdale won the Young Athletes title — their first District title in almost two decades — with a trio of solid youngsters, with the holders, Edinburgh Southern, way down the field, in ninth place.
