Edinburgh-Glasgow Road Relay

This great popular event, to be
 held on Saturday, 15th November,
 promises to be one of the most
 exciting of the series.

Despite the fact that the
 winning of the 10 post-war races
 has been monopolised between
 Victoria Park (7 times) and
 Shettleston (3 times), it would
 seem that Bellahouston Harriers
 will be generally favoured to
 win, in light of the latter
 club's great wins, with an all
 round balance of strength, in the
 V.P. and Midland Relays. Whoever
 wins, it will be a great struggle.

We know every competitor would
 like to compare and study times,
 so we have collected into sets, 10
 issues of "The Scots Athlete" giv-
 ing details of every race since
 April 1949. This can be obtained
 3/- post-free. Available also at
 the race. A great bargain!
