Midland District 10 Miles Relay. At Stirling, Nov. 4th. Motherwell Y.M., the holders, retained the Midland relay title with an easy win over Shettleston H. Running the first leg, R. The second stage saw D. Simpson (Motherwell) keep his lead of 100 yards but St. Modans had now come into second place thanks to a brilliant run by R. Ryan, with McGee (Shettleston) lying third. J. Linaker, running the third leg for Motherwell, simply ran away from the field with a time of 12.22, the fastest lap of the race, to give A. H. Brown a lead of some 500 yds. for the final lap. T. Malone brought Shettleston into second place with Victoria Park third.

Brown, running strongly, finished a comfortable winner some 600 yds. ahead of G. Everett (Shettleston), with J. McLaren (Victoria Park) third.

ISLE OF MAN FINAL T.T. WALK (37½ Miles)

At 10.30 a.m. on October 22nd, 22 competitors set off to walk round the famous T.T. Course. J. Tasker, who has won this walk twice before this year, was lying third at the "Quarter Bridge" with S. Cleator just behind. By the halfway mark at Ramsey only 14 competitors were left in and the fine morning had turned wet and stormy. Cleator was leading by over 12 mins. from H. Cannell.

Now ahead was the famous Snaefell mountain. By this time conditions were deplorable but still Cleator walked on, increasing his lead with every stride. It was obvious that no records would be broken and it was doubtful if anyone would finish, but at 5.32 p.m. Cleator crossed the line at the grandstand, soaked, cold and tired, with a time of 7hrs. 2 min. 51sec., 35min. outside the record. Ten finished.

2. H. Cannell (MAAA)	7:27.41
3. L. Kneale (O.Y.C.)	7:33.25
