

October 26th.

Midland District, at Stirling.

Motherwell Y.M.C.A. retained the title for the fourth successive year, beating their own "B" team by about 300y. The "A" team led at the end of the first lap through A. P. Brown in 12:40, but got a fright in the second stage where they fell back to eighth place. A brilliant 12:28 by Ian McCafferty saw them regain the lead in the next stage and Bert McKay went off in the final lap with a lead of 200y. This he increased to about 300 to give his club an easy victory..
