SCOTTISH NORTH DISTRICT RELAY CHAMPIONSHIPS Forres

SIMON PRIDE made time available to lead Keith and District to a fourth successive victory in the men's championship before jetting off to Japan for this Sunday's World 100km Championships, *Fraser Clyne* reports.

Pride gave his side an emphatic lead on the opening leg when finishing over 250m ahead of Moray veteran George Sim, who in turn edged home a stride in front of Forres Harrier Andy Beattie.

Ross Arbuckle extended the defending champions' lead to almost two minutes on the second stage while Scottish Universities steeplechase champion Niall Cameron took Forres clear of Moray in second place.

Scottish hill running international Graeme Bartlett, in his first race since the World Trophy competition on Reunion, blitzed around the third circuit in the the quickest time of the day to bring Forres to within 32 seconds of the leaders.

There was to be no dramatic last lap turn around however, as top North veteran Frank Barton clinched the title for Keith with a solid effort.

Doug Cowie secured second for the host club while Andrew Munro brought Moray through in the bronze medal position.

Craig Poole anchored Black Isle to a successful defence of the boys' title with the fastest

time in the young athletes' championship.

Inverness Harriers easily won the women's title with Alison Campbell returning the fastest lap time of the contest on the opening stage.

The club from the Highland capital also won the girls' championship. North officials must however be concerned about the poor turnout for this fixture. Of the four teams taking part in the boys' race, three were from the same club. Things were even worse in the girls' championship which was contested by two teams – and they were from Inverness Harriers.

The senior races were also poorly patronised with 10 men's teams and four women's sides.
