## ARDEER WIN S.W. DISTRICT RELAY CHAMPIONSHIP

---

ARDEER Recreation Club interrupted Beith Harriers sequence of three successive victories by beating the holders into second place in the South - Western District cross-country relay championship at Stevenston on Saturday. The winners were given a lead in the first lap by Peter Alwell, who, incidentally, led Beith to victory last year, and ultimately finished forty yards in front of their rivals.

Uncertainty as to the accuracy of some intermediate times made individual comparisons impossible.
