

MIDLAND DISTRICT.

The Midland District 7 Miles Junior Championship and 2½ Miles Youths' race were held at Pollok Estate on 7th Feb., 1948. The 9 teams and 14 individuals in the Youths' race were sent off first by starter, Mr. D. Corbet, into a strong wind and uphill over a rain-soaked course. In 15 minutes the leader came into sight, rather a surprise to most, in the person of newcomer C. Hogan of St. Modan's, followed by R. F. McLean (Springburn) and E. Bannon (Shettleston). Bannon, however, led his clubmates Birt, Scouler and Chisholm, to victory in the team race with a total of 40 points, with St. Modan's 2nd, 46 points, and Bellahouston 3rd, 55 points.

The Juniors next took the trail, 13 teams and 10 individuals, the 3 laps providing an excellent spectacle for the onlookers. White and Boyd (Clydesdale) with Craig (Shettleston) led the field for the first lap, and on the 2nd circuit being completed Craig was endeavouring to shake off the longer striding Boyd, followed by Kidd (Garscube), Lennie (Vale of Leven) and White (Clydesdale) leading a group close behind, and it was most striking how Garscube and Maryhill team members were "packing" well up, and their finishing places given later are a perfect illustration of teamwork "par excellence." At the finish, Boyd striding strongly through the tape, proved a worthy winner, and young Lennie with a fast burst got in front of Craig. These three are surely a promising trio for future honours.

Garscube and Maryhill teams took 1st and second places as "promised" earlier in the race, and Shettleston filled the 3rd berth. We thus saw two grand races which gave "pointers" on form for the sterner National races in March.

By the way, the Editor held back this edition to be up-to-date with results, and in view of his connection with the winning Junior team, he has had to undergo no small amount of "lek-pulling" on the matter—had he a "premonition?"
