Smith's crisp run is the junior choice

MINOLTA Black Isle's Marjory Smith was in fine fettle again in the North District cross country championships at New Elgin.

Fourteen-year-old Marjory maintained her form to win the junior women's event well ahead of the field helping her club to the team title.

Clubmates Paula Young, recovered from asthmatic difficulties, finished third and Victoria Macdonald ran 10th to clinch matters.

Kevin McAlpine, of Nairn AC, won the junior boys race. But Minoita's Norman Tulloch, Gary Martin and Lee Bethune in second, third and fourth places with David Wilby in sixth, made sure of the team award "by a mile", in the words of club official Ray Cameron.

Minoita's Brian Fraser won the junior men's section.

Inverness Harriers added to their

laurels in the youths' race with an impressive victory which stretches their record to nine consecutive team wins. Minoita were runners-up.

Individual placings: — 1 John Brooks, Lochaber AC. 2 Andrew MacRae, Inverness Harriers. 3 Blair Melkie, Minoita.

The intermediate/senior women's event was won handsomely by Fraserburgh's indomitable Marie Duthie with Julie Wilson (Inverness Harriers) in second place.

Isobel MacLennan, Minoita, ran 11th and second veteran. The team title went to Harriers with Minoita second.

Murray Road Runners won the girls' team event in which Minoita's Kerry Scott took the first individual place.

Title holder John Bowman, of Harriers, had a predictable victory in the men's race and Moray Road Runners were the top team.
