SCOTTISH VETERANS 10,000 METRES CROSS-COUNTRY CHAMPIONSHIPS

Huntershill, Bishopbriggs
Sunday, 9th February 1986

In heavy and part treacherous snow covered conditions, Brian Scobie was a surprise but very worthy winner. He dominated the race and outpaced a very classy field. Bill Stoddart also ran a brave race and was an outstanding over/50. There was a real tussle in the team race - so heartiest congratulations to the winning trio of Pitreavie AAC. Finally, what can we say of our 'old' (?) friend John Emmet Farrell. Think of the conditions - at 76 years of age, quite fantastic!
