

## NOVICE CHAMPIONSHIPS AT HAMILTON

The fourteenth annual novice championships of the National Cross-Country Union of Scotland was held at Hamilton Racecourse on Saturday afternoon under ideal conditions. Thirty-eight teams took part, while there were also nine entrants for the individual title, making 299 runners in all. Of these 36 teams finished the course, Glasgow Transport and Lochwinnoch being the only clubs entered who did not complete their team returns. Over all 239 runners were timed in at the finishing tape.

At half distance the leading men were W. Regan (Garacube), W. Hinde (Edinburgh Northern), A. Austin (Shawfield), T. Powell (Maryhill), W. Gall (Penicuik), R. G. Young (Shettleston), and T. McGuinness (St Peter's). Approaching the third mile Hinde went into the lead, and running very strongly was never again headed. In the last mile he widened the gap between himself and Austin, and eventually finished fully 150 yards ahead of the Shawfield man. Hinde, who was very fresh at the finish, is a runner of distinct promise. He was first man home for his club in the Edinburgh and district League race at Portobello a fortnight ago, and was placed second in the same race to W. Gall, of Penicuik, who was sixth man home on Saturday.

The team honours went to Springburn Harriers, who occupied ninth place last year, and whose first victory it was in the competition. Although R. McBride, their first man home, only finished actually twelfth in the race, his clubmates followed his lead so successfully that all four were inside the first 30. Shawfield did surprisingly well in finishing third, and Plebeian, but for the failure of their fourth man, would have finished better than fourth. Results:—
