Important Notes

(1) Location map and additional information will be shown on the scottishathletics website - www.scottishathletics.org.uk

(2) Team scoring for Senior Races is 4 for Men and 4 for Women. Young athlete races 3 for all races.

(3) U20 and Masters athletes are eligible for individual and team medals in the Senior race as well as individual medals in their age category. Masters medals available in all 10year age bands

(4) All entered athletes must be members of scottishathletics at the time of the closing date and be in date on race day. Athletes with an out of date membership cannot be added after the closing date.

(5) An entered athlete **MUST** not be substituted by a non-entered athlete at any time.

Non observance of the above leaves the whole field and the officials uninsured in the event of an accident; leaves the athlete at a health risk in the case of a wrong identification of the athlete; and makes the results invalid as an historic record.

(6) Students in full-time education in Scotland may compete as 1st claim for both their educational establishment and another Scottish club but not in the same competition. This is provided that the educational establishment Club is confined to students of that establishment. Thus a student may be entered for two clubs but has to choose one at declaration.

(7) By entering all athletes agree that photographs and/or video footage may be taken and used for PR/Marketing purposes.

(8) Club entries must ensure that entrants are medically fit to compete, have no medical issues or disability that would endanger themselves or others by taking part (and will not run if unfit to do so on the day).

(9) Any athlete with Additional Support Needs should contact scottishathletics for an athlete assistance form.
