Southern Retain CC Relay Title

EDINBURGH SOUTHERN repeated last year's victory in the Scottish National Cross Country Relay Championships, winning for the third time in five years at Hawick on October 23rd. Held for the first time in the Scottish Borders, the meeting was staged at Hawick Moor Race Course, with some very rugged country resulting in a very testing course.

Good runs from Ross Copstick and Charlie

Haskett gave Dundee a surprise lead of 16 seconds over Bellahouston at half way, with Southern third. John Robson whizzed through the third lap to give Southern a lead of 45 seconds and allowed Allister Hutton to jog round, unconcerned at an intriguing struggle behind him.

Chris Leck took over for the final stage for Spango Valley just two seconds behind Bellahouston, who had George Braidwood taking the last lap stint. These two were neck and neck throughout, with a stirring sprint over the last 200m resulting in Braidwood holding on for a one second margin at the tape.

Doug Frame fastest

Doug Frame recorded the fastest lap of the day when lifting Law from ninth to fourth on the final lap, clocking a time seven seconds faster than Robson.

With Martin Hughes and David McShane of Cambuslang having the fastest lap times in the Senior Boys and Youths laps respectively, it should have been a repeat victory for them; but after a poor performance by their Junior Boy on the opening lap left them in 20th place, 75 seconds behind Edinburgh AC, they were always trying to make up lost ground. McShane started 47 seconds behind Gavin Phillips and failed by just seven seconds after a thrilling chase.
