Message from

THE PROVOST

I am delighted at this first opportunity of welcoming the Scottish Cross Country National Championship Competitors to the new Monklands District.

I am, of course, aware of the very close relationship between participants in Scottish Cross Country Events and the former Coatbridge Town Council, of which I was convener of Leisure and Recreation for some time.

Monklands District Council fully appreciate the efforts of our former colleagues in Coatbridge Burgh, who provided the excellent facilities for outdoor sports which are available here at Drumpellier. This is an exciting year for sport and athletics in Monklands in that we are looking forward to the opening of the new Coatbridge Outdoor Stadium. In addition, the construction of our Indoor Sports Centre, designed by Architect, Peter Womersley, is well under way.

I should like to extend a most warm welcome to all of today's competitors and I look forward to meeting you all in the course of the day.

TOM CLARKE,

Provost.
