CONVENORS MESSAGE OF WELCOME

Welcome to Callendar Park and the 2018-19 Scottish National Cross Country Championships. The men's championship was first run in 1886 at Lanark Racecourse with the inaugural women's competition held at Hamilton Park Racecourse in 1932. This year will therefore see 132 years of tradition broken only when competition was suspended during the two world wars.

The Championships first came to Callendar Park in 1981 and they have been held continuously at this venue since 2006. Although there have been a variety of courses within the park and golf course this year there will only be minor changes to last year's route. Race distances, once again, will be identical for male and female athletes in each age category and in a move towards equality of team sizes it will be 5 to count in the senior women's team championship.

The entry of 2458 across all age groups is a record for the combined men's and women's event.

Vinco will once again record the race, this year with the use of drone coverage, and in addition to their usual highlight videos they will have an 'as live' online broadcast on the evening of the event.

Thanks are due to the many officials and helpers whose preparation and planning make this event such a success with particular thanks to Falkirk Community Trust and Falkirk Victoria Harriers. Our thanks must also go to leading law and property company Lindsays for their generous sponsorship.

Finally to all of the athletes and spectators at Falkirk today please enjoy the challenge of the competition and have an excellent day out.

The history and results of the Scottish National Cross Country Championships can be found at <http://www.salroadrunningandcrosscountrymedalists.co.uk/Archive/index.html>.

The Chips being used this year are disposable and don't need to be removed and collected at the finish.

Athletes should leave the finish area without removing their chip.
