CONVENOR'S MESSAGE OF WELCOME

We are delighted to welcome everyone back to Falkirk for the 2024 – 25 Lindsays Scottish National Cross Country Championships. Having moved around various venues in Scotland the Championships have had a permanent home in historic Callendar Park since 2006. Throughout that time due to developments within the park the course has regularly changed to meet these challenges and help preserve the environment. This year we were requested to redevelop the course so that there was more protection for the historic site of the Antonine Wall. Following discussions with Historic Environment Scotland and Falkirk District Council, our course architects from Falkirk Victoria Harriers have redesigned the running route using some new areas of the old Golf Course. Whilst providing a new challenge the redesigned course promises to be more spectator friendly.

This event has a long and successful history, The men's competition dates back to 1886 when it was first contested at Lanark Racecourse, while the inaugural women's event was at Hamilton Park Racecourse in 1932. A full history and results can be found at <http://www.salroadrunningandcrosscountrymedalists.co.uk/Archive/index.html> Athletes from clubs across Scotland from the borders to Orkney; Shetland and the Western Isles contest today's races with individual and team competitions in a range of different age categories. The number of competitors continues at a consistently high level after the covid pandemic with 100 clubs and over 2200 athletes entered to contest the medals and historic trophies today.

Thanks are due to the many officials and volunteers whose preparation and planning make this event such a success. Our thanks must also go to leading law and property company Lindsays for their generous sponsorship.

This is the 11th season of that support from Lindsays – and it is thus one of the longest sponsor partnerships across Scottish sport.

We're delighted clubs engage via the Lindsays Trophy which last season moved to a league format of three divisions – with that retained for 2024-25. Today represents the finale. During and after the event there should be lots of social media content across a number of platforms as well as roving commentators on the day giving continuous update on the race action.

Look out for race highlights on the Scottish Athletics You Tube Channel and action photos of the event by Bobby Gavin across the Scottish Athletics channels but also via <https://www.thatonemoment.co.uk> Finally, to all the athletes and spectators at Falkirk today please enjoy the challenge of the competition and have an excellent day out.
