

HARRIERS

EDINBURGH-GLASGOW

ROAD RELAY RACE

WIN FOR BELLAHOUSTON

NEW SECTIONAL RECORDS

The Edinburgh to Glasgow road relay race of 44½ miles for the *News of the World* trophy and medals, was noteworthy for the recording of five new sectional records. R. B. Macintosh, Greenock Glenpark Harriers, along with R. Simpson, Motherwell, and T. Lamb, Bellahouston Harriers, finished the first relay from St Andrew Square, Edinburgh, to Maybury Cross (5½ miles) inside the previous best time of 26 mins 43 secs. Macintosh's time was 26 mins 5 secs.

Previous best times were excelled in the next three succeeding relays but the runners failed to better the records of S. K. Tombe, Piebrian Harriers, and Suttie Smith, Hawkhill Harriers, in the fifth and sixth stages. J. Lardy, Garscube Harriers, lowered the record of J. P. Laidlaw, Edinburgh Northern Harriers, of 29 mins 38 secs in the seventh relay, to 29 mins 29 secs.

A GREAT RACE

Short of two of their best runners a fortnight ago, Bellahouston Harriers scored a fine win in the Perth to Kirkcaldy road relay race. In Saturday's race, reinforced by the inclusion of internationalists J. Campbell and J. Gifford, they won a great race by over 500 yards from Shettleston Harriers. Piebrian Harriers, winners of four of the previous races and third last year, again occupied third place, while Dundee Thistle Harriers, with a well-balanced rather than a brilliant team, ran a plucky race to gain fourth place medals. Edinburgh Northern Harriers, last year's winners, through team difficulties, were unable to defend the trophy.

Bellahouston Harriers, thanks to a good start, were never out of the first three places at any stage of the race.
