## THANKS

The honorary organisers, on behalf of the "News of the World," thank the Scottish National Cross-country Union and the Scottish Amateur Athletic Association and all the officials for their valued assistance.

We are grateful also to the civic authorities of the cities of Edinburgh and Glasgow, and of the other towns through which we have passed, and of the counties of Midlothian, West Lothian and Lanarkshire, for their help.

The police authorities of Edinburgh, Glasgow, Midlothian, West Lothian and Lanarkshire have given their cordial co-operation, and we have much appreciated their aid.

Finally, we thank all who permitted us to erect direction signs along the route, all who lent their cars, or helped in other ways, including members of the St. Andrew's Ambulance Brigade, who gave invaluable service, and last, but by no means least, the runners themselves for their splendid support.

## BIRCHFIELD WIN 1952 NATIONAL ROAD RELAY

Reprinted from *NEWS OF THE WORLD*, April 6, 1952

By JOE BINKS, ex-holder Mile Record

Birchfield Harriers scored a magnificent victory in winning the second London to Brighton National Road relay race on April 5 this year. Their time of 3 hrs. 54 mins. 55 secs. for the 45½ miles, divided into 10 stages of distances varying between two and six miles, gave them a 25 secs. margin over Belgrave Harriers, with Victoria Park A.A.C., Glasgow, third, Thames Valley Harriers fourth and Blackheath Harriers fifth.

Teeming rain which began to fall at the half-way stage, and a stiff head breeze put paid to any full or intermediate course records. But the excitement created by the spectacular racing more than compensated for the adverse weather conditions.

Alec Olney failed by a narrow margin to give Thames Valley their usual lead over the first stage. This time it was Terry Keegan, Walton, the Southern junior champion, who took premier honours.

Birchfield international Ted Dalton put the Birmingham club into the lead over the second stage, and Len Herbert brought the Belgrave colours from 16th to 10th position.

Frequent changing of positions took place throughout the field of the 20 selected teams, but while Birchfield and Thames Valley were fighting it out for the leadership, Belgrave began an undeniable challenge.

"Ginger" Newell took them into fourth place with a great-hearted 4½ miles over the third stage, and Bill Lucas followed by Ray Tooby had them knocking at the door. Then thanks to some dour, determined team-running, Victoria Park, the famous Glasgow club, became a force and, following an inspired effort by their team captain, Andy Forbes, Scottish track and cross-country international, over the tough, undulating six miles of the seventh leg, the Scots went into second place.

Thames Valley were, however, only a second behind, with Belgrave a close fourth. But Len Adams sent Belgrave hopes soaring, closing up to Birchfield in second place. But the Birmingham club had a trump card in Freddie Green who, over the ninth stage, set the seal on his club's success with a great 20 mins. 51 secs.—the fastest time for this 4½ miles. He widened the gap to give C. Parmenter a useful lead to race home in the pouring rain, a great winner of a fighting team.

In finishing second Belgrave, after being once down the field in 16th position, put up truly a phenomenal performance, and Victoria Park, recent winners of the English cross-country championship, gave the answer to their critics who had asserted that their strength lay mainly in six runners.

Of the notable athletes who competed in this race, Jim Peters, Essex Beagles, the British marathon champion, returned the fastest time of 30 mins. 16 secs. for the seventh leg, but only one second faster than his Scottish rival, Forbes.

Bill Nankiville brought Walton up from seventh to sixth position over the final stage—a great effort by this club incidentally, who were without their star, Chris Chataway.
