Motherwell Y.M.C.A. who were hat-trick winners in 1962.63.64 have reformed and are now back in the race. Ayr Seaforth with a history of track success are now showing improved form on the road and appear in the race for the first time ever.

This year we welcome the Kangaroos from U.S.A. following previous overseas visitors from Northern Ireland and Norway. Not much is known about the Kangaroos as a club but they appear in todays race apparently as winners of a similar eight stage road relay from New York to Potamac.

Individually their athletes are well known to many of us in Scotland and we are delighted to welcome them to todays race.

Lets wish the three of them and the other competing clubs every success.
