# Route For the Invitational 8 Stage Road Relay

Please remember that the normal Road Traffic Regulations apply to every one of you and that any person taken to task by a Police Officer will be solely responsible for any outcome. **ALL TRAFFIC LEAVING THE START AREA MUST LEAVE BY PASSING THE AIRPORT ENTRANCE AND MUST NOT ATTEMPT TO FOLLOW THE RUNNERS OUT OF INGLISTON.**

In the interest of safety, vehicles **MUST** not be parked on the A8.

To assist in the smooth running of the event you are asked to ensure that any instructions issued in connection with the Race, whether in advance or by an Official on the day, are adhered to by all your Members as non-compliance with this requirement could result in the Race being permanently removed from the Calendar.

## Route Details

Start Headquarters will be in the Quality Airport Hotel.

The race will start in the grounds of Ingliston Showground outside the Quality Hotel and following a loop in the grounds will leave by way of Halyards Road joining (by turning **RIGHT**) the A8 from where it will continue along the A8 (on the footpath) crossing the Newbridge Interchange by way of the footbridge onto the A89 to Broxburn where the **FIRST CHANGEOVER** will be situated outside the Parish Church

**Approx 5.5 miles.**

Leg 2 will be from Broxburn and the race will continue on the **RIGHT HAND** side of the A89 to Bathgate and shortly after entering Bathgate will cross to the **LEFT HAND** side of the road. At the **FIRST** Roundabout within Bathgate the course will turn **LEFT** onto B792 and continue on the left hand side of the road until the Runners are instructed to cross the road and proceed into the spur from the roundabout which leads to the National Cycle Path (No 75). This point will be the end of Leg 2.

**Approx distance 7 miles**

Leg 3 will proceed on the Cycle Path and continue on this passing under the B8084 to a point where it passes over the B708 just past Armadale (Netherhouse Cottage and Netherhouses) and will continue on the Cycle Track to the point where there is an **EXIT to BLACKRIDGE VILLAGE** where the runners will leave the Cycle Track and turning **RIGHT** will join and cross the B718 which will lead them to the A89 onto which they will turn **LEFT**. A short distance along this road they will cross to the **RIGHT HAND SIDE** with the **CHANGE OVER POINT** outside the Broxi Rangers Supporters' Club. [This **CHANGE OVER POINT** (No 3) will replace that which last year was on the bridge over the narrow road near Armadale]

**Leg length 6.5 miles**

Leg 4 From here the runners will continue on the **RIGHT HAND SIDE** of the road until they reach the Airdrie Fishing Club Grounds on the loch side at which point they will rejoin the Cycle Track and run on that until they reach Caldercruix. When they **EXIT** from the Cycle Track they will **TURN RIGHT** and head into the Village crossing the road to the **CHANGE OVER POINT** (No 4) at the Bus Stop.

**Leg length 5.5 miles**

**FROM THIS POINT, APART FROM PARTS OF THE ROUTE DESIGNATED OTHERWISE, RUNNERS MUST RUN ON THE LEFT HAND SIDE OF THE ROAD AND WHERE POSSIBLE SHOULD USE THE PAVEMENT. THIS IS ESSENTIAL FOR THEIR OWN SAFETY AND TO AVOID ANY PROBLEMS WITH OTHER ROAD USERS.**

Leg 5 They will then continue **FORWARD** and **TURN LEFT** onto the B825 via the short **FOOTPATH** at the junction. They will continue to run on the **LEFT HAND SIDE** of the Road from here until they reach **AVONBRIDGE VILLAGE**. Here they will **TURN LEFT** onto the B8028 and the next **CHANGE OVER POINT** (No 5) will be at the piece of waste ground on the **LEFT HAND SIDE** of the Road opposite the Avonside Pub (which has a Car Park).

Leg length 6.5 miles

Leg 6 From here they will continue on the **LEFT HAND SIDE** until the **FAR END** of **CALIFORNIA VILLAGE** and will **CROSS THE ROAD** after the **Last House on LEFT HAND SIDE** (the pavement ends at this point and one is in existence on the **RIGHT HAND SIDE** of the Road) and at **SHIELDHILL** will **TURN RIGHT** (B810 towards **POLMONT**) and **CROSS** to the **LEFT HAND SIDE**. This road leads through **REDDINGMUIRHEAD** and at Newlands Road Roundabout the runners will **TURN LEFT** towards **LAURIESTON** with the next **CHANGE OVER POINT** (No 6) at the Entrance to the Scottish Prison Service College (plenty parking available in the grounds).

Leg length 4.5 miles

Leg 7 The route along **BURNSIDE TERRACE** and **REDDING ROAD** follows the road to **FALKIRK** and at a **ROUNABOUT** the runners **TURN LEFT** onto **HALLGREEN ROAD** and then **LEFT** into **GLENBURN ROAD** and then **NEW HALLGREEN ROAD** crossing to the **RIGHT HAND SIDE** from the **Bus Stop** at **Glen Village School** and cross the junction with **TIREE PLACE** and at the 'T' Junction **TURN RIGHT** onto **GLEN BRAE** and move onto the **PAVEMENT**. Continue down the hill and **TURN RIGHT** into **KEMPER AVENUE** staying on the **RIGHT HAND PAVEMENT** and enter **Callendar Park** grounds and follow the entry path round the side of the **Golf Course** until **TURNING LEFT** at the sign for 'The Tea Shop'. Continue past the Tea Shop and emerge behind the **High Flats** and after passing them **TURN RIGHT** and staying on **RIGHT HAND SIDE** continue down the hill to the Roundabout where you **TURN RIGHT** and staying on the **Pavement** enter **Callendar Park** again via the **pedestrian entrance** just short of the new **Graham High School** grounds (mini roundabout at the School entrance). The final **CHANGE OVER POINT** (No 7) will be after **TURNING RIGHT** at the end of that stretch of path.

Leg length 5.5 miles

Leg 8 (The Final Leg) will exit the Park by way of the Path used for the Seventh Leg to enter it the first time and follow the route in reverse until, on the way up **Glen Brae** it turns **LEFT** onto **WOODEND WALK**, which runs virtually parallel to the edge of the Park. This emerges onto **NEW HALLGLEN ROAD** and the runners will turn **LEFT** and follow **Redding Road** and **Howfe Road** to join **Callendar Road** where they will turn **Left**. From this they will turn **LEFT** towards **Callendar Business Park** and then will re-enter the Park at the entrance (bypassing a locked gate) and follow the path towards **Callendar House** and the **FINISH** will be at the point where the seventh leg re-entered the Park.

Leg length 3.5 miles
