FOREWORD

It is less than 30 years since Surrey A.C. staged the first relay race over the classic London-Brighton road. It proved a costly and difficult venture, and the Club officials were grateful when Joe Binks offered, on behalf of the "News of the World," to be responsible for future races. Since 1924, the race has been run by the "News of the World" each year, apart from a gap during the war, when a series of relay races for the services took its place.

Until 1937, the races were from Westminster, and were started by the first boom of Big Ben striking eleven. When traffic became too heavy, the police insisted that we should start on the outer perimeter of London, and we moved to Park Place, Mitcham, 45½ miles from Brighton.

The series became extremely popular, and in 1932 a Northern race was instituted from Manchester to Blackpool. This was followed, in 1933, by a Scottish race from Edinburgh to Glasgow, and a Welsh race from Newport to Swansea.

Since the war, the London to Brighton, Manchester to Blackpool, and Edinburgh to Glasgow races have been revived, and have met with a tremendous response. So much so, that we had to limit entries to 20 in each case, and make them regional races. London to Brighton became the race for South Country clubs, Manchester to Blackpool the race for Midland and Northern clubs, and Edinburgh to Glasgow the race for Scottish clubs.

Only one thing was required to round off this scheme, and that was a national race for the leading regional clubs. Today's race is the first national road relay race, and includes four teams from the South, four from the Midlands, four from the North, and four from Scotland, all chosen from the regional relay races. To make the race truly representative, we have added East Antrim from Northern Ireland and Westbury H. from the West Country. So this, the 21st race sponsored by the "News of the World" on this road, will establish club supremacy in road racing throughout the country.

Surrey A.C. won the first "News of the World" London to Brighton race in 1924. Since then, Birchfield have won five times, Hallamshire twice, Salford twice, Belgrave three times before the war, and three times since, Mitcham three times, Thames Valley (present holders) once. The record time on the present course was set up by Mitcham in 1938 (3 h. 48 m. 29s.).

Davey, J.P., Mayor of Brighton, will be handed to the first representative of Thames Valley Harriers at the start by Alderman T. A. East, J.P., Mayor of Mitcham, and will be carried by the leading runner in each relay. If the letter carrier is passed by another competitor, the letter must be handed on until it is finally delivered to Alderman Ernest Marsh, Deputy Mayor of Brighton, at the Winning Post.

Competitors in each relay will be taken to their respective exchange stations by coach, Mr. W. J. Pepper (A.A.A.) being in charge.

Coaches are numbered as per relays 1-10.

All competitors **MUST** travel in the official coaches. To avoid congestion, coach drivers are asked to make sure that no coach is parked within 100 yards of each take-over.

All competitors except those running in the first relay must be in their respective coaches ready to start at 11.30 a.m. **NO COMPETITOR WILL BE WAITED FOR.**

Coaches will await competitors at the end of each relay. A steward will be in charge of each coach and only competitors and officials with coach tickets will be allowed in these coaches.

All competitors must keep to the left-hand side of the road whilst running. Cutting corners is not allowed. Any competitor indulging in this dangerous practice will render his team liable to disqualification.

THANKS

The honorary organisers, on behalf of the "News of the World," thank the A.A.A., the Scottish A.A.A. and the Northern Counties A.A. and all the officials for their valued assistance.

The police authorities of London, Brighton, East Sussex and West Sussex have given their cordial co-operation, and we have much appreciated their aid.

Finally, we thank all who permitted us to erect direction signs along the route, all who lent their cars, or helped in other ways, including members of the St. John Ambulance Brigade, who gave invaluable service, and last, but by no means least, the runners themselves for their splendid support.

AWARDS
