* Scotland's Runner Vol 48, Page 30 (August 1990) reports Mike Carroll's time as 66.48. Iain Campbell has also corresponded to say his time in 2nd place was 66.06. Colin Youngson has pointed out that the race booklet for the 1994 Dunfermline half marathon insists that the course record was Mike Carroll's 64.48 from 1990. The newspaper report for that race states that the winning time (Brian Rushworth 65.57, in an international contest) was 69 seconds outside Mike's course record.
