St Andrews Ambulance(Livingston Branch)

West Lothian Council
Staff of St Margarets School
Lothians & Borders Police

We return to Livingston for the fourth time and again look forward to running over testing courses for the National Road Relay Championships. We thank New Balance for again providing sponsorship to enable us to enhance the event and I am sure that those taking part will agree that it is most welcome to have their input. West Lothian Council have again been most helpful in providing the facilities at St. Margaret's School and in other ways. We thank their Sport Development Unit in particular. Martin Hyman continues his good work in leading the local organisation with the help of many members and friends of Lothian Running Club. To the officials on duty today, our thanks. Their help and expertise is invaluable in ensuring that Championship standards are maintained. Finally to all competitors, 'have a good run' no matter where you aim to finish in your stage of the race.

Sandy Robertson
Convener
Road Running and Cross Country Commission

New Balance Athletic Shoes are proud to be associated with the National Road Relay Championships here today in Livingston.

This is just one of the many race events that New Balance are supporting in 2001 throughout the UK. We see these partnerships with West Lothian Council and the Scottish Athletics Federation as important for promoting the brand and its performance values to serious and grass roots runners, particularly in a market place dominated by hype and fashion.

Thank you to all the Officials on duty for their support and to the Athletes competing who we hope enjoy a day of enjoyable and rewarding competition.

Paul Whitehead
UK Marketing Manager
New Balance Athletic Shoes

Welcome back to Livingston to the last competition of the winter's fixtures. We hope you enjoy the competition, your training pays off and that you have time to appreciate the traffic free and in parts scenic route.

Events such as this require the contributions of many partners and I hope that everybody's efforts are matched by the standard of the competition from you the athletes.

My thanks to all partners, namely, SAF, New Balance and the many volunteers who steward and officiate and the several services of West Lothian Council such as Education, Roads and Cleansing.

This National Championship Relay is the high point of the athletics development in West Lothian. Several of you will have the opportunity to test yourself again at the East District Road 10K Championships at Bathgate on the 6th of May.

We have supported athletics this year with a number of initiatives including Athletics in Active Primary Schools, Sportshall, Primary 7 Track and Field Festival, Startrak, summer Schools for U15's and supported after school athletics clubs. All initiatives have been welcomed by three local clubs, Linlithgow, Livingston and Lothian. It is hoped that all these initiatives foster an awareness of athletics and the local clubs can recruit the athletes of the future. One day some of the juniors lining up with you will have come from these initiatives.

Again race well.

Councillor Wendy Mutch
Spokesperson for Sport and Leisure

The event was a Men's only Six stage until 1996 when Women's teams started competing. There was no separate Women's Championship until 1998, since then Women have run a Four stage race with championship status.

In the 23 years the event has taken place many clubs and individuals have contributed in the organisation at the various venues. None more so than Martin Hyman of Lothian Running Club who sought out routes and devised the laps at the 2 Livingston venues. He has been local convenor at 9 of the 23 championships through the years.
