Bank of Scotland giving extra to Scottish sport

Throughout the country Bank of Scotland's support for sport is helping young people to participate and excel. Last year over 12,000 young people took part in sporting events made possible by Bank of Scotland.

And we're doing our bit for fans too through our partnerships with the Scottish Premier League and the Scottish Team who will be competing in the Commonwealth Games this summer.

For more information about Bank of Scotland's sport sponsorship programme visit www.hbosplc.com

ACKNOWLEDGEMENTS

The Commission expresses grateful thanks to all who have helped in the organisation of today's event, in particular the following

New Balance	West Lothian Council
Lothian Running Club	Staff of St Margarets School
St Andrews Ambulance(Livingston Branch)	Lothians & Borders Police

Livingston's St. Margaret's Academy is the host facility for the fifth annual staging of our New Balance National Road Relay Championships for Men and Women. The course will be familiar to most of those competing and you know that it provides a safe and testing route, most suitable for a Scottish Championship. We are indebted to the members and friends of Lothian Running Club ably led by their expert colleague Martin Hyman who have set and will be stewarding the course to a very high standard.

The sponsorship provided by New Balance is again a welcome feature and I encourage you to support this company today and in the future. Without their generous involvement the Championship would be less attractive.

West Lothian Council give us tremendous backing including the use of the great facilities of St. Margaret's Academy. Seldom do we enjoy such facilities so near to the start and finish of our races. We thank you for your involvement in this Championship and also for your continuing support of athletics throughout the Council's district.

To all officials and all competitors, 'have a good day' and thank you for your contribution to our grand sport.

Sandy Robertson

Convener

Road Running and Cross Country Commission

New Balance Athletic Shoes are proud to be associated with the National Road Relay Championships here today in Livingston.

This is just one of the many race events that New Balance are supporting in 2002 throughout the UK. We see these partnerships with West Lothian Council and scottishathletics as important to promote the brand and its performance values to serious and grass roots runners, particularly in a market place dominated by hype and fashion.

Thank you to all the Officials on duty for their support and to the Athletes competing who we hope enjoy a day of enjoyable and rewarding competition.

Paul Whitehead

UK Marketing Manager

New Balance Athletic Shoes

Welcome again to St Margaret's Academy. I hope your training pays off and you and your club compete well and in a sportsmanlike manner. We hope you find the traffic free course conducive to safe competition and appreciate the voluntary efforts of Lothian RC who are very closely involved in the management of this event.

This event is one of the high points of West Lothian's Sport for All Strategy. It brings together several partners scottishathletics, New Balance, the voluntary sector and several Council services. My thanks to them all.

The Strategy may culminate in high profile championships as the Six Stage but it builds upon athletic activity in local primary schools with the sterling work of Active Primary Schools and PE Specialists, secondary schools where Sport co-ordinators and after school clubs encourage athletics, local clubs who have embryonic links with schools and UK Athletics initiatives such as Norwich Union, sports:hall and star:track.

We have committed funds for three more years and we hope that you continue to support this road relay event which is open to all club members
