SCOTTISH ATHLETICS NATIONAL ROAD RELAY CHAMPIONSHIPS

LIVINGSTON (ALMONDVALE)

Its 25 years since the Road Relays started being held at Livingston Almondvale, the venue first being used in 1998 when Martin Hyman came up with a new traffic free venue for the event.

Over the years the Short Leg (3.15 miles) has seen little change but the Long Leg has undergone a number of changes due to path closures, house building and diversions.

The Men's fastest Short lap is 14.58 by Steve Cairns (Hunters Bog T) in 2002. In last year's event Tom Graham Marr (Central AC) came close to that time with 15.04.

The Women's fastest Short lap is 16.42 by Madeline Murray (Edinburgh AC) in 2016. 2nd fastest all time is 16.50 by Morag Millar (Central) in 2022. Morag's record on the Short lap is impressive she has 5 of the top 11 fastest times.

The Men's fastest Long lap is 27.33 Glen Stewart (Mizuno RC) in 1999. This was on a shorter course than is now run. Last year the long lap was lengthened due to house building. This year we can return to the shorter long lap run in 2019 and previous years. The Women's fastest Long Lap is a very fast 31.04 by Hayley Hailing (Kilbarchan AC) in 2007.

The most successful Men's 6 stage team at Almondvale are Cambuslang Harriers. who have a total of 17 medals, 6 of them Gold, next are Central AC with 13 medals 6 Gold and 7 Silver, Central have never finished 3rd. Shettleston Harriers also have 13 medals 6 of them Gold.

The most successful Women's 4 stage team are Central AC with 11 medals 6 of them Gold, next are City of Glasgow 8 medals, 6 of them Gold followed by Kilbarchan AC 6 medals 4 of them Gold.

From 2004 Master Over 40 team medals have been awarded, followed by Master's Over 50 teams in 2012. This year over 80 teams medals will be awarded in categories.

At the 2006 event there was a sign displayed at declarations stating as there was a new low pedestrian underpass on the Long lap, no athletes taller than 6 ft would be allowed to run the Long Lap. There were a number of anxious people coming to declarations about this sign when it was pointed out it was 1st April.

On a personal note although I have been convenor or co-convenor at every Almondvale Road Relay I have managed to run a Short lap leg for my club Ferranti AC a number of times with people like Martin Hyman and Alex McEwan around to look after any issues. In the first year of the event Ferranti had 2 full teams of 6 running, with no place for me, this year we have no teams but have 3 people out as Course Marshals from the club.

Throughout the years at Almondvale the work done by the host club has been vital to its success, in early years Livingston and District AC and now Lothian Running Club

A wealth of information on the relay's, results, fastest laps, programmes, venues etc on the CC and RR archive at
