

EDINBURGH SOUTHERN WIN THE LOT!

THE inaugural Scottish National 6 Stage Road Relay Championship, held on a testing but enjoyable course around the scenic Strathclyde Loch on March 31st, proved a great success. The competition was fierce throughout the race with Edinburgh Southern finally turning out winners after Clyde Valley had led for most of the race. ESH had the assistance of Dave Logue, but were without John Robson and Ian Elliot, and did well to win with a fine display of teamwork — topped by a flash of individual brilliance from Allister Hutton on the final lap which really made victory secure.

They now have the distinction of having won every senior team title open to them this past winter season in Scotland: the National CC, Road Relay and CC Team Championships, the Edinburgh to Glasgow Road Relay, the Eastern District CC Relay and Team Championships and the Eastern District League title. ESH President Ian Clifton and Club Captain Martin Craven had well deserved reasons for the self congratulatory beams of delight they each were wearing at the end of the race.

It is hoped that the SCCU will decide, in the light of the many favourable comments from athletes of the suitability of the course, to make this easily accessible venue a permanent home for the championship.

Stage 1. Promising Junior Colin Donnelly led home a close packed field on the opening short lap of 3.8M, closely followed by Bill Nelson (Law) with David McMeekin showing full recovery from a long-standing leg injury in 3rd

place. **Fastest:** C. Donnelly (Cam) 18:35; W. Nelson (Law) 18:36; 3, D. McMeekin (VP) 18:45.

Stage 2. John Graham gave Clyde Valley the lead with fastest time over the long lap of 5.7M, closely chased all the way by Colin Youngson and Northern Ireland international Cameron Spence who took Spango Valley into 3rd place just 1 sec behind ESH. Douglas Gunstone lifted Edinburgh AC seven places to 5th. **Fastest:** J. Graham (Clyde V) 27:02; C. Youngson (ESH) 27:06; C. Spence (SV) & D. Gunstone (EAC) 27:17.

Stage 3. Brian McSloy, who thought he would be ineligible for Clyde Valley having competed for Strathclyde University in the Junior National, ran 6M in the morning but found he had been declared eligible for competition as the university could not field a team. Showing no sign of his morning efforts he kept a 7 sec lead, being just 1 sec slower than Martin Craven, whilst EAC gained another two places for 3rd, their best of the race. **Fastest:** M. Craven (ESH) 18:29; M. McSloy (Clyde V) 18:30; N. Jones (EAC) 18:56.

Stage 4. Most clubs fielded their big guns on this lap as Jim Brown broke clear of Dave Logue to establish a 32 sec lead. Nat Muir (Shett) carved his way through the field to pull up five places for an isolated 3rd position being 69 sec behind ESH and 47 sec in front of Cambuslang. Frank Clement recorded 26:04 on first inspection but was subsequently found to have gone astray and cut a large chunk off the course for Bellahouston to be disqualified. **Fastest:** N. Muir (Shett) 26:20; J. Brown (Clyde V) 26:48; J. Dingwall (FVH) 26:57.

Stage 5. Making his first competitive appearance for three seasons, Ronnie Macdonald was supposedly Clyde Valley's weak link. But nobody told him that and he showed he was back to fitness, though short of racing experience, with a game run of 18:59 for second fastest lap time, losing only 6 sec to ESH and retaining a lead of 26 sec. **Fastest:** A. Robertson (ESH) 18:53; R. Macdonald (Clyde V) 18:59; C. Aithie (EAC) 19:09.

Stage 6. When Ian Gilmour started off 26 sec in front of Allister Hutton everybody expected a close run affair in the closing stages. But such was Hutton's form that he caught and passed Gilmour in just over 1½ M and recorded the fastest time of the day of 25:55 — 25 sec faster than Muir and over 2 min ahead of the unfortunate Gilmour. Graham Clark, though running in a vacuum way down the field, recorded third fastest time with 27:27, just 1 sec faster than Gordon Rimmer, who brought Cambuslang in 4th. Once again this fast improving club just missed out on the medals, but they needn't worry: their time will surely come. **Fastest:** A. Hutton (ESH) 25:55; L. Spence (Shett) 26:52; G. Clark (SV) 27:27.
