SCOTTISH NEWS & RESULTS

'Southern' Take National Six Stage

1st Stage — Sam Wallace of Cambuslang showed good form over the 3¼ mile circuit, six seconds clear of John Pentecost of Falkirk Victoria in 14:43. Mortimer (EAC) 15:00; 6, A. Swann (Shett-J) 15:14; 7, F. Graham (Moth) 15:16; 8, M. Brighthouse (SV) 15:18; 9, D. Lang (Cam 'B') 15:22; 10, A. Thompson (Bella) 15:22.

Hutton set off 71 seconds down on Spango's Cammy Spence and turned the deficit into a 18 second lead for Robson. Spango stayed in second although a good run from Cambuslang's latest recruit, Ross Arbuckle, closed them to within eight seconds of Spango with a 14:53. Robert Fitzsimmons

moved Bellahouston up two places to fourth, but the medals were already decided. **Fastest:** A. Hutton (ESH) 14:17; R. Arbuckle (Cam) 14:53; R. Fitzsimmons (Bella) 15:10; I. Johnstone (FVH) 15:26; B. Neilson (Tev) 15:39; C. Spence (SV) 15:46.

Hutton and Robson find the form to keep Edinburgh top

ALLISTER HUTTON... ran the day's fastest short lap time.

EDINBURGH Southern Harriers, already winners of the national cross-country relay championship and the national senior team title, added the Scottish six-stage road relay title to their season's list of honours when defeating more than 80 teams in an exciting race at East Kilbride.

The Edinburgh club won the title for the sixth time in the past nine years to prove their claim to be Scotland's top cross-country club.

But theirs was not an easy victory for, in a race where the lead changed hands three times in the first four laps of the race, it was only a late charge by their two world champion internationals — Allister Hutton and John Robson — that clinched victory for the Edinburgh club.

Cambuslang Harriers took an early lead on the opening short three-and-a-quarter-mile lap as AAA junior indoor 1500 metres

champion Sam Wallace led the field home in 14min. 43sec. John Graham (Motherwell YMCA Harriers), fourth placed in last year's Commonwealth Games marathon, opened up a lead of over a minute on the second lap and, well pleased with his time of 31min. 4sec., predicted a fast time when competing in the London marathon in May.

Motherwell's lead was extended on the third lap by Dr Peter Fox, but lacking strength in depth, they fell back into the following pack as Royal Navy lieutenant Chris Robison recorded the fastest time of the day on the long fourth stage to bring Spango Valley AC from Greenock into the lead for the first time.

However, Edinburgh Southern's tall started to wag in earnest and Allister Hutton, usually his club's anchor man in relay events, surprisingly turned out on the short fifth stage. Wishing to test

his speed for his run in the Kodak Classic 10,000 metres final at Hemel Hempstead next Saturday, he chose the shorter distance in preference. And show speed he certainly did, showing no ill effects from the slight injury that prevented him displaying top form in the world championships in Warsaw last Sunday.

He sped round the short lap to record 14min. 17sec. for the day's fastest time, handing over an 18-second lead to John Robson which never looked likely to be lost. Robson lengthened the margin to almost one-and-a-half minutes at the end of the race to bring Southern home to victory a quarter-of-a-mile in front of Spango Valley AC who equalled their best ever performance in the championship.

Last year's winners Cambuslang Harriers, missing flu-stricken international Eddie Stewart, finished third in front of 1985 champions Bellahouston Harriers with Teviotdale Harriers, the resurgent side from Hawick, taking fifth position with a sound team performance. Results:

Edinburgh Southern Harriers (T. Hanton 14min. 50sec., A. Robson 32min. 18sec., R. Stone 15min. 32sec., C. Hunter 32min. 35sec., A. Hutton 14min. 17sec., J. Robson 31min. 17sec.), 2hr. 30min. 30sec.; 2. Spango Valley AC 2:22:19; 3. Cambuslang Harriers, 2:22:53; 4. Bellahouston Harriers 2:23:40; 5. Teviotdale Harriers 2:23:40; 6. Edinburgh AC 2:27:14.

Fastest lap times. Short 3¼ miles — 1. A. Hutton (ESH) 14min. 17sec.; 2. S. Wallace (Cambuslang) 14.43sec.; 3. P. Fox (Motherwell) 14.49.

Long 6½ miles — 1. C. Robison (Spango Valley) 30min. 48sec.; 2. J. Graham (Motherwell) 31min. 04sec.; 3. J. Robson (ESH) 31min. 17sec.

Southern surge clinches relay

AFTER an absence of three years, Edinburgh Southern Harriers won the Scottish national six-stage road relay championship at East Kilbride, recording their sixth victory in nine years of the event.

Taking the lead only in the closing stages, thanks to fine performances by world cross-country championship internationalists Allister Hutton and John Robson, the Edinburgh club went on to win in 2 hr 20 min 50 sec.

Their closing surge brought them home quarter-of-a-mile in front of Spango Valley AC (2:22:19) with last year's winners, Cambuslang Harriers, finishing third (2:22:53).

Allister Hutton recorded the fastest time of the day (14:17) for the short 3¼-mile stage with John Robson (31:17) being third fastest on the long 6½-mile stage behind fellow internationalists Chris Robertson of Spango Valley (30:48) and John Graham of Motherwell (31:04).

VICTORIA PARK led a strong team out for the National Six Stage Road Relay held over a tough, hilly course at East Kilbride on Saturday.

Mark Wallace on the first leg finished 12th in 15 minutes 24 seconds which was a good performance considering he had not fully recovered from the Poland trip.

Alistair Douglas with a sound long second stage (32.5) moved the club into sixth place. Crawford Little (16.1) ran steadily, but dropped one place. John Pollock (34.38) on the fourth stage ran well, losing one place. Peter Wilson (16.45) back after injury did well to hold on only slipping one place to ninth. Harry Young (34.52) held on to that position on the final long stage.

In the B team, David James, running his first race since Christmas, ran well, recording 16.53 for the short stage.

The marathon men continue their build up for London with John Brierley setting a fast race from the Allander last Sunday over the tough course around Killearn — a mere 22 miles.

The track and field season gets under way with the Scottish and North West League on April 11, followed by the Scottish Youth Athletes League.
