

## Girls are trumps for Victoria Park

Impressive running by Victoria Park's girls gained two road Relay championship titles and two runners-up trophies at the National Relays held in Callander Park, Falkirk, last Sunday.

Linda McLoughlin, Carol Ann Morland and Carol McCusker did the club proud. These three little Bankies raced over the most complicated, unmarked 3 x  $\frac{1}{4}$  mile course to take the Girls 11-13 years National Title in 11 minutes 55 seconds.

The Intermediates (15-17 years) put on an impressive display of good teamwork which gave the title and the gold to Carol Ann Bartlay, Linsay Campbell and Lesley Rankin while the "B" team of Hazel McHenry, Maureen Coyle and Michelle McDonald finished in second place for the runners-up trophy.

### MIRACULOUS

With the only thing anyone could be absolutely sure of being the starting line, it was nothing short of a miracle that Lorraine Docherty, Jan Stewart and Catherine Devlin finished second in the senior championship for the young Seniors Runners-up trophies.

The Minors team of Tracy Sutherland, Debbie McNally and Vivienne

Dow were well placed in fourth spot (33 teams closed) in only their second race while Juniors' Carol Greenlees ran a stormer to record the fastest lap. Fiona Scott who is a topline high jumper, and Lynn Morland just missed out on the medals by one second.

The curious can spectate when these "homing pigeons" are in action in Dalmuir Park on Sunday when the club will be organising the Peter Holmes (Motor) Trophy meeting.

### TOP NAMES

These events are Scottish League Races for women, and open races for men. Ten races in all will be run and autograph hunters should look out for Commonwealth Games and World Cross-Country athletes like Yvonne Murray (Edinburgh A.C.), Evelyn Cameron, Nat Muir and many more. Racing starts at 1 p.m.

The club acknowledges its indebtedness to George Walker and his staff at Dalmuir Park, Jim Mathieson of Leisure and Recreation Dept., as well as management and staff at Dalmuir community Centre. The athletes are in no doubt they could not run the event without their invaluable assistance.
