

# **SCOTTISH WOMEN'S RELAY CHAMPS GRANGEMOUTH 6TH OCTOBER**

PITREAVIE just failed to lift the senior title despite a heroic last lap effort from British international Vicki Vaughan, who brought the Fifers up from ninth place. *Fraser Clyne reports.*

Vaughan was an agonising two seconds away from the gold medal position at the finish but at least had the consolation of clocking the fastest time of the day by far.

City of Glasgow demonstrated their strength by also winning the intermediate and junior championships.
