**1. Chairman's Opening Remarks**

Ron welcomed everyone to the meeting, commenting that with seven people present, it might be useful to consider whether meetings were required as frequently. He also suggested discussion on the role of the Commission was required and that this would be dealt with later in the meeting.

Items on the agenda which people wished to discuss were then starred.

**2. Minutes of Previous Meeting**

On the minutes from 8 July, a query was raised on Under 16 policy and whether this would only include 15 year olds in relation to the Celtic event selection. This was clarified and noted. (Relates to Action RRCC2009-22). In relation to action RRCC2009-5, it was noted that if officials chose not to upgrade then this was acceptable and they would not be removed from the list of active officials. Issues may arise, however for officials who choose not to be registered or graded in the first place. Discussion took place on the return of record cards for officials and it was felt that the list of officials for Championships could be absorbed into active lists. These should be sent to Marjory after meetings.

The minutes were otherwise noted.

## **3. Business**

### **3.1 Masters Age Groups**

A recent ruling of the IAAF determined that age groups for non-stadia masters events would revert to 40, with this age applying to both males and females. The IAAF would apply this from 1 November 2009. Proposal is that Scottish Athletics maintain the status quo for the current winter season and apply the new age groups from Cross Country Season 2010/11.

**Action: RRCC2009-29: AJ**

### **3.2 Fixtures and Championships**

The winter fixture list was noted. Arrangements were in place for all District CC relays. Alex reported that clashes with swimming events at the 4/6 stage relays may be resolved. The event would also potentially include a Jogscotland event. Alex to speak to Alastair Currie.

**Action: RRCC2009-30: AJ**

A request had been received from the Dunfermline Half Marathon organisers to host the Scottish 1/2 Marathon Championships in 2010. Following discussion on the structure of road running championships as opposed to the natural progression that occurred in cross country, it was agreed Alex and Ron would discuss this further with Mike Johnston.

**Action: RRCC2009-31: RM/AJ/MJ**

Following the recent exchange of emails amongst Commission members, it was noted that inclusion of a Northern Ireland team as guests in the National CC Relays had been agreed. Jim reported that course drainage had been installed at Cumbernauld which would improve conditions in wet weather and that interest had been received from clubs to assist with course building.

Jim asked that booking arrangements for the 4k were checked to avoid the difficulties from last year's event regarding delayed entry to the declarations area. It was suggested that Bellahouston Road Runners could be asked to help with course building.

**Action: RRCC2009-32: AJ**

Some confusion had arisen over the venue for the Young Athletes Road Races for 2010 in that Giffnock North had offered to host these at Rouken Glen, whilst the fixture list indicated they would return to East Kilbride. Alex agreed to check to see whether the switch to

Rouken Glen could be accommodated on the basis that EK could be asked to host the West District CC Relay Championships instead.

**Action: RRCC2009-33: AJ**

**3.3 Presentation to SAL Board**

Ron outlined the structure and approach taken to preparing the presentation for the SAL Board which had followed the AGM. It was noted that the Commission had committed to retaining the under 13 championships for the season 2009/10 but would apply a strict 2 year age group. This is to give time to consider a replacement event from season 2010-11. Following discussion on the presentation content, the following actions were agreed:-

Consider how to incorporate a race for athletes with a disability into road and cross country events.

**Action: RRCC2009-34: All**

Set up group comprising Convener, Secretary, District Conveners and National Coach to review workings of the Commission and Districts.

**Action: RRCC2009-35: RM**

**3.4 Medals at Age Group Level**

Following discussion, it was agreed that the question of medals for juniors, seniors, masters competing in district and national championships should be considered at the next meeting. Currently it was felt different practices were operating in the districts and at national level on whether athletes could be awarded more than one medal in any event. It was agreed Margaret would co-ordinate information emailed from East and North districts.

**Action: RRCC2009-36: MD/AJ**

**3.5 Commonwealth Ultra, Keswick**

It was noted that Lucy Colquhoun had achieved an individual medal and the team had also medaled in this event.
