\*\*\* YARR Championships at Battery Park, Greenock. Meeting informed that this event is taking place on the same day as the SAIL Final which is a clash we wish to avoid. AL contacted SAIL organiser, and they have agreed to move their Final to the following week.

Margaret-Ann MacLachlan has been contacted re convening the Inter District XC and National XC and is happy to Convene these two events.

**(6) Inter District and UK Challenge Update:**

At last meeting the 4 challenge events were Cardiff, Liverpool, Leeds and London. Leeds and London dates have now been reversed. No further updates from Eamonn Martin have been received.

Inter Counties will be held in March. The CAU have been asked to move their date to February or January – does not appear feasible for 2025/26 but still under review for 2026/2027.

Due to the changing dates of the World Championships from 2026, there appears to be a disconnect between the different organising groups on the format and timing of the challenge events and the relevance and importance of the Inter Counties.

We are assuming that no Challenge event is going to take place at the Inter District XC Championships but happy to put one on if need be.
