## Notes

The original has paper copy has a few errors that have been corrected in this version

The handwritten corrections in the paper results for legs 1 and 2 due to a race funnel ordering problem are incorporated here. Marked in yellow

## Leg 2

There were two position 96 recorded. Therefore 135 teams finished not 134 as on the paper version.

Bellahouston H F individual is out by 50 secs. The sum of the first two legs is 56.05 and not the recorded 56.55

Springburn H E is 1 sec out between the sum of the 1st two legs and the recorded cumulative time.
