## CONVENOR'S MESSAGE OF WELCOME

We are delighted to welcome everyone back to Falkirk for the 2025 – 26 Lindsays scottishathletics National Cross Country Championships. Having moved around various venues in Scotland the Championships, today represents our 20<sup>th</sup> consecutive visit to what feels like our permanent home at historic Callendar Park. Throughout that time due to developments within the park the course has regularly changed to meet these challenges and help preserve the environment. Last year we were requested to redevelop the course so that there was more protection for the historic site of the Antonine Wall. Following discussions with Historic Environment Scotland and Falkirk Council, our course architects from Falkirk Victoria Harriers redesigned the running route using some new areas of the old Golf Course. This course was popular with athletes and spectators and we're delighted to be able to use this course again this year.

This event has a long and successful history, The men's competition dates back to 1886 when it was first contested at Lanark Racecourse, while the inaugural women's event was at Hamilton Park Racecourse in 1932. A full history and results can be found at [National XC Results Index](#)

Athletes from clubs across Scotland from the borders to Orkney; Shetland and the Western Isles contest today's races with individual and team competitions in a range of different age categories. The number of competitors continues at a consistently high level after the covid pandemic with the majority of the member clubs over 2000 athletes having entered to contest the medals and historic trophies today.

Thanks are due to the many officials and volunteers whose preparation and planning make this event such a success. Our thanks must also go to leading law and property company Lindsays for their generous sponsorship.

This is the 12<sup>th</sup> season of that support from Lindsays – and it is thus one of the longest sponsor partnerships across Scottish sport.

We're delighted clubs engage via the Lindsays Trophy which last season moved to a league format of three divisions – with that retained for 2025-26. Today represents the finale with club pressure on promotion and relegation opportunities.

During and after the event there should be lots of social media content across a number of platforms as well as roving commentators on the day giving continuous update on the race action.

Look out for race highlights on the Scottish Athletics You Tube Channel and action photos of the event by Bobby Gavin across the Scottish Athletics channels but also via <https://www.thatonemoment.co.uk>

Finally, to all the athletes and spectators at Falkirk today please enjoy the challenge of the competition and have an excellent day out.

Mike Johnston
