### KIRKCALDY RUNNER'S FINE PERFORMANCE AT PORTOBELLO.

Kirkcaldy Y.M.C.A. Harriers gave a splendid performance at the first contest of the Edinburgh and District League which was held at Portobello on Saturday. Unfortunately one of the members of the Kirkcaldy team was delayed, and failed to catch the train with the result that the Kirkcaldy competitors were forced to take part with only five men instead of six—a fact which greatly handicapped their chances. They made a brave show, however, and finished fifth out of the seven teams which took part. D. Ross, one of the representatives from the Kirkcaldy Y.M.C.A. Club gave a great performance, finishing second out of the total of a hundred runners. He covered the course of five miles in 27 minutes 12 seconds. The next League contest will take place on Saturday, 19th, at Kirkcaldy, over a course of five miles, when about a hundred competitors are expected to take part.
