

# HARRIERS

## KIRKCALDY Y.M.C.A.

The Club travelled to Edinburgh last Saturday, and competed in the Edinburgh and District league competition.

They were without A. Dow, and did remarkably well to finish third in Edinburgh Northern, brushing their best five men inside the first 25. Their 6th man to brush was under a severe handicap, as he was just recovering from an attack of the flu. When everything is taken into consideration the Club, if they could get a good sixth man, have great hopes of winning the Eastern Championship, because most of the competitors who finished in front of their first five were all seniors not eligible to compete in the Eastern Championship. Result—Northern, 38 points, Southern, 55 points, Kirkcaldy Y.M.C.A., 107 points. The final placings of the first three top clubs are as follows—Southern, 159 points, Northern, 165 points, Kirkcaldy Y.M.C.A., 176 points.
