NORTHERN WIN EAST LEAGUE TITLE

W. HINDE'S SUCCESS

Edinburgh Northern Harriers, twelve times winners of the Eastern Cross-Country League Championship and Sandilands Shield, have been defeated by Edinburgh Southern Harriers in their attempt to win for the 13th time.

From Glencorse Barracks on Saturday, the final race of the season was won by Southern by the narrow margin of one point from Edinburgh Northern. This win, coupled with their two previous wins, earned them the championship, their aggregate of points being 42 better than Northern's. This is the second time Southern have won the championship.

Although the Northern have lost the team championship, they had the honour of supplying the first man home in Saturday's race in W. Hinde, who thus scored his second successive win.
