McKenzie with European Junior 4 x 400m medallists Anne Clarkson (ESH) and Karen Williams (Pitreavie) in fifth and 10th places respectively obviously building up strength for another fine summer track season. Sonia McLaren from Aberdeen, who is making her mark in her first season of athletics, lost out narrowly in a sprint finish to the Junior Girls race but she is improving with every race and could be a likely winner by the time the National Championships come round in February.

Caithness Harriers made their long journey from the north of Scotland worthwhile when they lifted the Minor Girls team title and had some prominent positions in other races. Successes were well spread out throughout the competing clubs, with only Pitreavie taking two team titles and Edinburgh Southern two individual titles.

#### EASTERN DIST CC LEAGUE

##### At Dalkeith, November 29th

Both Edinburgh clubs had top runners competing for Scotland in the International race at Gateshead, but Edinburgh Southern lost out badly as only two of their vaunted first team pool turned out, and they fared badly in the

second meeting of the Eastern District cross country League at Dalkeith on November 29th. Edinburgh AC took full advantage of Southern's weakness and, placing five of their counting six in the first nine men to finish, were easy winners with Aberdeen and Falkirk Victoria forcing Southern into fourth place. EAC lead Southern by 29 points in the overall team classification after the two meetings with only one meeting to go.

Paul Kenny created a surprise when he ran out a clear overall winner of both A and B Leagues, beating Doug Gunstone by 40y with Ian Elliott just behind. Pitreavie packed well, showing great improvement to take the 'B' league team race with EAC close behind, doing enough for a clear lead of over 100 points in the overall team classification.

Teviotdale and Falkirk Victoria Harriers repeated their team victories in the Senior and Junior Boys team races respectively.
