Dear Club Secretary,

I have much pleasure in enclosing the results of Saturday's race, and look forward to seeing you all at Dundee on the 29th November for the second League race.

I feel that I should bring some points to your notice concerning the use of numbers and club colours. Firstly several athletes ran without numbers or with numbers on their backs or ^{the} sides of their shorts. This makes problems for recorders especially when athletes are not wearing club colours. Secondly too many athletes were not wearing club colours, and this will certainly get your club into trouble in District or National Championships.

Mike Borne

League Secretary
